

- I am enrolled in the Spring 21 term at UB. I would like to know what is preferred when it comes to Air travel?
Direct Flight
Connecting Flight
If possible please share your airline specific experience.
Also, is the luggage limit carried over for connecting flights as well?
Does this sound good enough for the query?
- 2 people have suggested taking direct flights. No comments on the luggage limit so far. Flights suggested:
Air India/United both are good from EWR(United and Air India to Mumbai) and JFK(Air India to Delhi)
- During a recent webinar for MIS students....they said some students reach buffalo by bus after they complete immigration at any port of entry.
